

Payment

When do I pay and to whom?

You pay a deposit online with credit or debit card, at the moment you receive the confirmation.

Then you make the rest of your payment upon handover of keys. You pay the operator - the person that signs the contract of lease with you on behalf of Dodona Apartments. The operator gives you the keys as well.

Can I pay in euros or another currency?

You can pay in Euro, US Dollar, British Pounds, or Swiss Franc. The currency is not a problem as we try to adopt at any preference of our guest.

Do you accept cards?

For the time being, the only payment option is cash. However, a myriad of ATMs are in the close vicinity of Dodona Apartments, so it will not be a problem to get cash.

Do I have to pay in advance to ensure my reservation?

Once you have confirmed your reservation we take it for granted that you will arrive, and therefore do not insist on a deposit. However, should you wish to make an advance payment (companies prefer this) then we can, and will accept it by all means. In addition, we reserve the right to ask for an advance payment. This could be the case for longer reservations or reservations being made a long time in advance.
